

**ACCEPTABLE BLISTER PACKAGING DONATIONS**

- 6+ months of expiration dating - **sooner dates will be accepted for brand-name products**
- Intact tablets/capsules that do not appear to have been adulterated, broken, or disintegrated
- Tablets/capsules with identifiable markings or imprint
- Cards with 5 or more tablets or capsules - **may have fewer for brand-name products**
- Other products not in blister packaging as long as a tamper-evident seal is still intact
  - Bottles or canisters of items including liquids, eye drops, inhalers, vitamins, or supplies

**DONATION AUTHORIZATION**

I authorize that this donation does **NOT** include:

- Controlled substances including any product with pseudoephedrine
- Unmarked tablets/capsules in blister cards such as vitamins and supplements
- Blister cards with less than 5 tablets/capsules - exception for brand-name products
- Products that will expire within 6 months
- REMS drugs with an element to assure safe use (ETASU) OR an implementation system
- Products requiring refrigeration
