

CHANGE YOUR PATIENTS' LIVES AND ELIMINATE MEDICATION INSECURITY

1

ENROLLMENT

Providers and pharmacists enroll to become a dispensing site. After license verification and program orientation, each site is given a username and PIN providing access to over \$15M worth of medications and supplies.

2

PATIENT SCREENING

The participating clinic or pharmacy determines patient eligibility by having the patient(s) sign a form attesting to income level and insurance status.

3

MEDICATION ORDERING

The clinic or pharmacy places an order online for needed medicine and supplies.

4

MEDICATION SHIPMENT

The SafeNetRx team inspects the medicine for safety and ships the order directly to the clinic or pharmacy.

5

MEDICATION DISPENSING

Medications are dispensed to the eligible patient(s) or stored for future use.
