

DONATE MEDS. CHANGE LIVES.

WHY DONATE?

Many of our partners find themselves with a surplus of medication and a heart as big as our mission. By shifting a portion of commonly destroyed drugs, unused medication can be repurposed to save a life, benefit your organization, and bolster our community.

126,000+

Individuals in need have received free medication from the SafeNetRx Drug Donation Repository

\$89M

Worth of medications have been donated to SafeNetRx and kept out of the environment
