OPTIONAL QUESTIONS

Answers are not required but will assist SafeNetRx to document the impact of the Iowa Drug Donation Repository

Were any medications donated to underinsured patients with incomes up to 200% of the Federal Poverty Level?

Yes

No

If yes, please share information about patient(s) challenges, for example high out-of-pocket costs, medication not covered by insurance, claim denied.

Were any donated medications provided to uninsured individuals?

Yes

No

If yes, please share information about patient(s) challenges, for example Medicaid renewal waiting period or no prescription coverage.
